# Aerogel Saves Space in Sea Containers Refurbished for Residential Use

## Customer

My Space Pod  
([www.myspacepod.co.uk](http://www.myspacepod.co.uk))

---

### Challenges

- Insulate reconstituted sea containers for use as living accommodations.

---

### Aerogel Solution

- Spaceloft® insulation for interior walls, ceiling, and floor

---

### Benefits

- Aerogel solution saved internal space compared to using traditional insulation materials.
